

Sullivan County Food Festival 2020!

We have a couple of questions for you to answer, in order to become a vendor to our Food Festival. Food vendors will pay \$200 for a 10'x10' spot. Non food vendors will pay \$150 for a 10'x10' spot. Limited electric is available for an extra \$25, but we can't guarantee electric. First come first serve. Bring your own electric, that way you are sure that you have power for your truck/tent.

Food vendors will have to send a copy of their health permit (Sullivan County DOH 845-794-2045), insurance (with additional insured) and tax certificate. Also include a picture of your set up and food product. Non food vendors will have to send a copy of their insurance, tax certificate and a picture of their set up. Please provide us with a picture of one or more of your items and your logo, so we can put that on our website and FaceBook page to promote you!
